

Dear Parents and Students

Thanks to the many who helped make our Fete such a great day! We appreciate the hours given up to assist with our fund raising for the new floor. We are still checking the figures but think we have approximately \$3,000 towards our goal.

If you weren't able to attend, we will leave some items under the Hall at Ashgrove Avenue for the next week or so. You might like to check them out at class times. If there is anything you wish to purchase, please ask your teacher.

Our raffle prizes were donated by Cartridge World, Kate Jones office, Ashgrove Vitality, Chander's Corner Car Servicing, a beautiful original painting by Bernita, Milk Café, Valerie Hagger's husband has donated a Massage.

And the winners were...:Laurie Deane, Sean Whittle , Ella Chewe, Rori and Asha Jones

We also have a girls bike in excellent condition which was donated for sale.

If you are interested please ask

Also our pointe shoe decorating competition was a big success with almost 100 entries. Some pics are below. We even had a couple of offers to buy the shoes! We were really impressed with the effort put into these by students, parents, and in some cases grandparents. We will leave them on display for a bit longer before returning them to their owners. If you took your shoe on the fete day, perhaps you could bring it back for the display.

Our congratulations go to the following entries
