

Dear Parents and Students

We have some exciting news! Wendy, Karen and Sonja have been going to Regis Aged Care (at the Gap and Ferny Grove) fortnightly to give the residents exercises with many props and Broadway style music to move with. They love it! Regis the Gap have kindly offered to support our show by producing our brochure and programme! We really appreciate their assistance.

Our brochures are available this week-end. We will give each student one, but if you want more please ask at the canteen. If you can give them to your family, friends or are able to put them in a shop for people to take it would be great as we would like to boost our ticket sales.

REHEARSAL TIMETABLE A new timetable for this week is attached. Most weekday classes are still on. Please read it carefully as we will be practicing the dances and we need everyone there please. A new order of the dances is being trialled today to give everyone time to change costumes. A list will be provided next week.

TICKETS are on sale now. If you haven't received a ticket notice please ask. They were issued at classes last week. They can be booked online with QPAC or if you prefer you can hand in your order at the Canteen at The Gap Rehearsals, or at class times.

NOTE CAREFULLY – There is no rehearsal for I PUT A SPELL ON YOU next Sunday. Only Saturday. The Gap School is not available next Sunday.

NEXT SATURDAY SOME COSTUMES will be fitted during rehearsals and each group will be called to the stage. Please do not come and ask if your costume is here. Please wear your leotard so costumes can be fitted easily. (Not shorts and tops – thanks)

FRESH FRUIT FOR SALE AT THE CANTEEN. Our good friend Glenn (who used to dance with us) has a warehouse at The Markets Rocklea and kindly donates some fresh fruit for us to sell. Have a look at the Canteen.

We still have Chocolate available if anyone can take some to sell and we are still saving Bottles for refund.

Look the light up sign at The Ashgrove State School advertising our show. Same as the banner on the top of this notice!

I have attached a copy of our story for I PUT A SPELL ON YOU! To give you an idea what it is all about! (SEE OVER)

SAUSAGES AND GOODIES AVAILABLE AT THE CANTEEN for lunch. If anyone is available to help at the Canteen or BBQ please let us know – even for a short while would be appreciated. Thanks

MORE NEWS NEXT WEEK – BE SURE TO GET YOUR NOTICE SO YOU KNOW WHAT'S HAPPENING!

TIMES WILL BE LISTED ON THE INTERNET IF YOU LOSE YOUR NOTICE. www.ashgrovedance.com.au

I PUT A SPELL ON YOU! (So you know what it's about!)

Friends were attending a Fancy Dress Party. The party was in full swing and there were lots of fabulous costumes, including Cinderella, Little Bo Peep, Red Riding Hood and even Buzz Lightyear and many more when an uninvited visitor arrived dressed as a witch with a magic wand.

Suddenly the party took a different turn as she placed a spell on all at the party. She called on her witches and all sorts of magical things started to happen. Suddenly there were little mice running through the party and frightening the guests. They were from Cinderella's story and she tried to chase them away. Her beautiful dress disappeared she was dressed in her rags once more.

The Wolf (disguised as a Prince) who was with Red Riding Hood came in and the mice Scurried away. Red Riding Hood had been collecting flowers and danced happily with them, and suddenly the room had become a beautiful garden with Butterflies and Bees flying around.

Some children wandered into the garden. They were little Bo Peep's friends. She ran in to dance with them followed by Woody and his friends.

Woody's friend Buzz Lightyear was there also and some Space Invaders and Space Rangers came on to save the day.

Suddenly Tinkerbell and her Fairies were dancing around and beautiful Mermaids were basking in the sun. Captain Hook and his Pirates appeared. Peter Pan saw Tiger Lily in the Indian Village. Captain Hook captured Tiger Lily, but she was rescued by Peter Pan.

The Witch reappeared and this time came with some Zombies and Skeletons, and they danced.

Fortunately the Fairy Godmother appeared with the Good Fairies and chased the witches away, and everything went back to normal once more.

Beautiful girls with Garlands danced and Cinderella lost her rags and her beautiful dress reappeared. The party continued and all had a wonderful time.
