

Music by **Andrew Lloyd Webber** book by **Julian Fellowes** lyrics by **Glenn Slater**

Andrew Lloyd Webber, the man who brought rock and romance to Broadway, is back with a new heart-stirring hit. *School of Rock* is a *New York Times* Critics' Pick and "an inspiring jolt of energy, joy and mad skillz!" (*Entertainment Weekly*). *Reuters* raves "Andrew Lloyd Webber has Broadway rocking again!"

Based on the hit film, this hilarious new musical follows Dewey Finn, a failed, wannabe rock star who decides to earn a few extra bucks by posing as a substitute teacher at a prestigious prep school. There, he turns a class of straight-A students into a guitar-shredding, bass-slapping, mind-blowing rock band.

While teaching these pint-sized prodigies what it means to truly rock, Dewey falls for the school's beautiful but uptight headmistress, helping her rediscover the wild child within. (*The New York Times* says, "Be Warned! There's a love story in this one.")

Featuring 14 new songs from **Andrew Lloyd Webber**, this high-octane smash hit delivers face-melting guitar riffs and touching romance in equally awesome doses! *The Daily News* cheers, **Andrew Lloyd Webber** "awakens the empowering message of rock!" and *Time Out New York* raves, "school's in – forever!".

"The most enjoyable few hours money can buy." **The Daily Telegraph**
